

BEST PRACTICES

1. EARN WHILE LEARN SCHEME : This scheme was introduced a few years back as it is beneficial to our students. So decided to continue the same. Batches were made according to their timings preferred by them in their leisure time to keep them engaged as well as trained for the future life. The works were distributed respectively. Data entry operating, Bar coding generation of books and bound volumes, book merging and other library house keeping activities. They are paid for it once in a month. The management provides the finance. This financial help can reduce the burden of their parents to some extent. It develops work culture among the students.

2. FINANCIAL ASSISTANCE TO STUDENTS BY TEACHING FACULTY AND MANAGEMENT : Teachers give the financial support to the students individually and collectively. Students are supported in almost all difficult situations. Even the management helps by giving scholarships to the needy students.

3. WOMEN UPLIFTMENT PROGRAMME : There is special wing named Women's welfare committee under which courses like Yoga, Aerobic, Self Defence, Beautician and Cosmetology organised regularly. In yoga, the special care is given to meditation so that they can increase their concentration. The trained teachers are appointed for the above courses.

4. TRAINING FOR PRIMARY AND HIGH SCHOOL TEACHERS: Our Kanara Welfare Trust runs many Primary and High school institutions and the special care is given to update their knowledge regarding recent development in the subject. As a part of it, college regularly conducts training programmes.

5. PRAYER : Day begins with the Nadageete, Jai Bharatha Jananiya Tanujate..... (Composed by Rastra Kavi KUVEMPU) and National Anthem. This practice arouses the patriotic feelings among the students.

6. MENTORING : The College has Mentor system to take care of students individually. Total students are divided in to small groups and each group is under the supervision of a staff member. In the beginning of the academic year the students list is provided to the staff members and asked them to take care of the students.

7. WELCOME AND FAREWELL : There is a healthy practise of senior students (final year) welcoming the juniors(first year) in the beginning of the academic year and junior students bidding farewell to the final students at the end of the academic year. It helps to build healthy campus atmosphere.

8. FINANCIAL ASSISTANCE : Financial help to the needy staff. Whenever necessary, our teaching staff made it a habit to help those who need it.
