**A BRIEF REPORT on VACCINATION DRIVE**

## COVID VACCINATION DRIVE

On January 16, 2021, India rolled out the world's largest COVID-19 vaccination drive across 3006 vaccine centers in all its states and union territories. The same was asked to be done by educational institutions to all the students. The Youth Red Cross unit, NSS in association with Primary Health Care centre belse arranged for the mass Covid 19 vaccination of the students. Nearly 320 students were inoculated on the 29<sup>th</sup> of June 2021.
