Programme Details	<p>One day workshop on ‘Employment Readiness Programme’ was conducted to final year B.A/B.Com/B.Sc Degree and P.G students of the college. The purpose of the programme was to give information about the employability skills enabling them to take up good careers. This is also working to help the rural youth gain employability skills through online training.</p> <p>ERP at G C College: (Enterprise Resource Planning)</p> <p>The ERP program is meant to train students in degree courses to get ready to face any competitive exam, be it for employment (banking, private sector, govt jobs etc) or for further education (KMAT, PG CET, CAT etc). The following program will be delivered</p> <ol style="list-style-type: none">1. Introduction of ERP and its relevance to the college students.2. A session of communication. Importance of communication in general and specifically Conversation in English. This is an interactive session where the students can make a rough assessment of their own confidence and comfort in spoken English.

3. An introduction to Quantitative aptitude and Logical reasoning. This session will provide an idea of the questions that are asked in almost every competitive exam and our students seem to find very difficult.

4. Interview preparation, resume creation, Group discussion basics and later some practice sessions.
